MEASURES ADOPTED BY THE DIOCESE				
Year				
1971	Archbishop William Cousins received a letter from Father Peters in which he makes reference to the need for a speedy transfer of assignment as recommended by Auxiliary Bishop Leo Brust as "the prudent way" given circumstances. A second note was sent to Bishop Brust stating that nothing should be committed to writing and no letter sent to those concerned. Archbishop Cousins transferred Father Peters to a new assignment a month later.			
1992	Father Peters informed of anonymous calls. No investigation because of anonymity.			
1993	Father Peters requested and received early retirement.			
1999	Diocese of Orlando informed of allegations from 1992 and ministry there restricted.			
2002	Precept issued restricting public exercise of ministry upon admission of at least three incidents of sexual abuse of minors.			
2004	Father Peters informed that travel to another diocese could not continue due to lack of monitoring possibilities. He requests voluntary laicization rather than limitations on travel. He will be provided with a monetary grant to assist with any health care needs. This proposal was handled by his canonical consultant.			
SUSTENANCE PROVIDED BY THE DIOCESE TO THE CLERIC				
Father Peters receives a monthly pension and will continue to do so if laicized as this is a qualified self-contributory plan. He will be provided with a lump sum to assist in any health care needs he may have beyond social insurance.				

RESPONSE/RECOURSE MADE BY THE CLERIC	
Year	
1971	Brought the matter to the Auxiliary Bishop and sought a transfer.
1992	Said he did not know what the callers were talking about.
2002	Admitted sexual contact with [REDACTED] and wrote letter of apology to him. Stated that the incidents were in the course of sex education. Admitted to Sheboygan sheriff and Vicar for Clergy that there were two or three other cases from his time in Fond du Lac but would not go into more detail.
BISHOP'S VOTUM	
This has been a difficult case to conclude. There is an admission of guilt in the one detailed case and spontaneous admission of two or three other cases with no details. Under other circumstances, Father Peters would be asked to live out his life in prayer and penance. This would call for monitoring of his activities which cannot be done if he spends six months of the year in Florida. Given the options available to him, Father Peters has decided that he will choose voluntary laicization rather than restriction on travel.

His Holiness Benedict XVI

Your Holiness:

After much prayerful consideration, I now request from you a dispensation from the obligations connected with the priesthood and from celibacy. I ask to be returned to the lay state.

I have been placed on administrative leave by the Archdiocese of Milwaukee for sexual misconduct involving minors. I have had to deal with these allegations since 2002. I have been retired for a number of years now and am 80 years old. The fact that this sexual misconduct has been brought to the attention of both archdiocesan and civil authorities makes it unlikely that I can ever serve in active ministry again. While I do not believe that every aspect of allegations presented by the archdiocese is accurate, I admit that some are.

This request is not a quick solution to a temporary problem. Because of the nature of the allegations made against me there is no hope of ever returning to ministry. I find no alternative but to request laicization.

I am fully aware that my decision to return to lay status, if approved by the Holy See is permanent and final, without hope of eventual re-admittance to priestly ministry.

I do have some health concerns. However, I have been assured by the diocese that they will assist me if needed. I have been assured that my pension will continue.

I solemnly swear to the truth of all the above information.

My curriculum vitae is attached.

Respectfully submitted,

Reverend Donald Peters

NARRATIVE.: 1 by S091 EPPING, THOMAS 06/25/2002
ORIGINAL DICTATION: ss

On Tuesday, 6/25/02, at approximately 0830 hours, I, Detective Thomas Epping, was assigned by Captain David Adams to investigate the report of a sexual assault. District Attorney Robert Wells had received a report from Barbara Ann Cusack who is the Chancellor for the Archdiocese of Milwaukee. The letter was dated June 15, 2002. In addition to the letter, a Sexual Abuse Intake Report was included naming a reporting person as [REDACTED], reporting that he had been molested on three separate occasions in the basement of the [REDACTED] lake home by Father Don Peters. The report states that the period of the alleged assault was 1959 through 1960. The report indicates that the victim, [REDACTED] had been abused when he was 16-years old. The report also states that Father Peters had shown [REDACTED] slides of young men in various stages of dress.

A check of the phone book lists a Reverend D. Peters at [REDACTED] Cascade, Wisconsin, phone [REDACTED]. A check of the records at the Sheboygan County Sheriff's Department lists a Donald R. Peters, dob 3/30/25 at [REDACTED], Cascade, Wisconsin. Driver's license number, according to the Sheriff's Department information lists [REDACTED] Wisconsin Driver's License.

A check with the Wisconsin Registration lists Donald A. Peters, m/w, dob 3/30/25, 5'9", 190-pounds, brown hair, brown eyes, with an address of [REDACTED] Cascade, Wisconsin. It also states in the comment on the driving record, a former name of Donald R. Peters.

A check of the residence at [REDACTED] shows a wood-slatted, what appears to be one-story, house with an outbuilding. The color of the wood-slatted building is brown. Also observed on the residence, was a sign that states "Peters' Place" with the address [REDACTED] on the residence. The residence was viewed on 6/25/02 at approximately 1347 hours.

A check with the post office reveals information that a Donald Peters does live at that address. The postmaster also stated that this person was a priest and the postmaster also stated that is where the priest's father used to live and his name was [REDACTED]. This information coincides with the information received on the initial referral from the Archdiocese of Milwaukee.

Also parked at the residence at [REDACTED] was a 1996 Ford 4-door, white, expires 02, listed to Donald A. Peters at [REDACTED] Cascade, Wisconsin.

On Thursday, 6/26/02 at approximately 0915 hours, I, Detective Thomas Epping, made telephone contact with [REDACTED]

TEXT INFORMATION

[REDACTED] In speaking with Mr. [REDACTED] about Father Donald Peters, [REDACTED] explained that he disclosed to the Archdiocese of Milwaukee that Father Peters had molested him when he was a teenager. Initially, he had been told by the personnel at the Archdiocese that they knew nothing about Father Peters molesting, but then on the second contact a couple of weeks later with [REDACTED] the Archdiocese stated that it had received reports.

[REDACTED] stated he was 49-years old when he first disclosed to a counselor about the abuse by Father Peters. The abuse happened either in 1959 or 1960 when [REDACTED] was a sophomore attending [REDACTED]. [REDACTED] states he was a freshman in 1959.

[REDACTED] Father Peters' father, Gus Peters, had the residence at that time. [REDACTED]'s parents were [REDACTED] and his sisters were [REDACTED].

[REDACTED]'s opinion was that Father Peters at the time enjoyed touching young boys. [REDACTED] referred to him as "a son of a bitch" and he was "super slick". He said he was a boy scout leader at the time and believed he was the pastor at St. Clements in Sheboygan.

The type of assault that occurred was that Father Peters would be sitting in a chair in the basement of the cottage and would have [REDACTED] undo his pants, expose his penis and then Peters would fondle the scrotum and penis of [REDACTED]. [REDACTED] stated that Father Peters would be looking directly at him when he was doing this.

[REDACTED] did not disclose this because he believed his family would have been totally ostracized in the community if he were to have accused a Catholic priest of having touched him in the way he did.

[REDACTED] explains that he did receive a letter of apology from Peters just recently.

[REDACTED] states that he went to the Cousins' Center, which is the headquarters for the Archdiocese of Milwaukee on 05/10/02 for an interview. [REDACTED] believes that "Project Benjamin" is a project for dealing with abusive priests. [REDACTED] states he also received a letter of apology from the Archdiocese, as well as from Father Peters.

At the time of the assault in 1959 or 1960, [REDACTED] explains that he had gone to the basement of the Peters' cottage, which was finished. He had been shown slides of boys in various stages of undress by Father Peters on a projector. The assault (fondling) happened two or three times. [REDACTED] believes that Peters has not given up this sickness. The reason why [REDACTED] had talked with Father Peters at the time, was for counseling that dealt with experiencing puberty; they talked about

erections, petting and the guilt complex of sexual encounters. They talked about sexual issues. [REDACTED] described this as a type of confession where he was actually confessing to Father Peters at the time of the fondling. [REDACTED] described that Father Peters would fondle [REDACTED] with his hands while [REDACTED] was standing in front of Peters as Peters was sitting in the chair. There was no sex act, no oral sex, or any type of intercourse. [REDACTED] goes on to explain that later on, when he was married, that Father Peters was part of his marriage. When asked how that occurred, [REDACTED] explained that he blanked out what had happened to him in the past by Father Peters, when he did get married.

[REDACTED] did not believe that Peters had taken pictures of him. He had been shown slides by Father Peters of young boys, not girls, before and after Peters had fondled [REDACTED]. At the time, [REDACTED] was dealing with puberty and learning of sexual matters, having gone to gym class and the high school shower room, and [REDACTED] was led to believe that the interaction that Peters had with [REDACTED] was "the right thing to do as it was part of sex education" and what Father Peters was doing was one step beyond.

The last time that [REDACTED] saw the Peters' cottage was in the year 2000, when he had seen it from the lake as [REDACTED] would have gone to look at [REDACTED]

At the time of the molestation, he believed that Father Peters was doing his ministry in Sheboygan. He also knew that Father Peters was involved in boy scouts and [REDACTED] did know, personally, that Peters would have boy scouts come out to the cottage. [REDACTED]'s sister, [REDACTED] had mentioned that she had seen two boys that would come to the Peters' cottage. These two boys were [REDACTED] and [REDACTED] believed that their name might have been [REDACTED]. This happened around 1962, and these boys would have been younger than [REDACTED]

[REDACTED]'s two sisters are [REDACTED], who is married to [REDACTED] and they live in [REDACTED] and are retired. His other sister is [REDACTED] and her husband is [REDACTED] and they live in [REDACTED]. [REDACTED] states that both his sisters are aware of this situation he is involved in and [REDACTED] had had reservations about Father Peters and did not like him, even when they were youngsters.

Based on the information obtained, I will request a Search Warrant in an attempt to locate any evidence to substantiate the information provided by [REDACTED]. Based on past training, it is believed that a person involved in the sexual abuse of young boys or pedophilia tends to keep pictures, letters and memorabilia. Based on that, I request a search warrant for the Donald Peters' residence at [REDACTED] Cascade, Wisconsin.

Most Rev. William E. Cousins

Milwaukee 3, Wis.

Your Excellency,

From our conversation of May 23, 1962, your request that I put this in writing, after much prayer, prayerful thought and investigations, I humbly submit the following for your kind consideration.

God gave talents to each of us, I pray that I might use mine for His greater honor and glory. I feel that my interests are much in the youth program: Guidance and counseling in the High School program; and work in the CYO program. You indicated these as specialized work.

I have inquired at Marquette University about application in working toward a Masters Degree in Education with a major in Guidance and Counseling. North-Central, as you know, is now requiring Guidance M.A. in High Schools. If you decide on advanced study, would it be full time or part time? Some educators seem to feel that full time study would be better. Would a try at summer school be worth a small test to see if I can get back to study?

I feel that I am willing to stay at St. Mary, Hales Corners for another year. I would be interested in the once a week teaching and counseling that I have been doing at Pius XI High School. Brother Dan and Brother Leo at Don Bosco indicated that they would be most interested in having me do more guidance work at Don Bosco. In our parish school I am most willing and happy to teach in the grade school, however on a better balance, as you indicated at the fall conference of Priests.

ADOM020276

The following points seem very trivial to me, but are mentioned to indicate my interest in the parish. If weddings and minor duties in the parish are given to me I would like to get them sooner after the initial pastoral interview, and arrange to fit my own schedule. When people come to the door and ask for me by name, that they have the opportunity to see me without all the questions.

To go to school part-time could be of benefit in the school work and even in the contacts in the CYO divisional program with the many youth in various parishes and to the Priests in the division to help them help their youth. I have received requests from Priests and from many young-men to counsel and guide them, from many diverse sources, even requests from an occasional student at the Major Seminary, ~~St. Louis~~.

If you so choose to move me, I believe I could spend more time in getting the M.A., working toward High School work, possibly keeping the divisional job which would be benefitted by the education credits.

Regarding your request of names of some Priests to help Msgr. Schwab in the CYO and CCD, you might consider some of these: in the ten to fifteen year group, Fathers William Knoernschild, or Charles Verhalen; in the five to ten year group, Fathers Donald Daleke, Don Elverman, or Fred Schramm; also others who have been and are divisional directors. In special CCD work I don't know all those who are teaching the course, but these might be considered. Possibly Father Joseph Konkel would know of some others.

Respectfully your servant in Christ,

Donald A. Peters

Your Excellency,

I humbly request a transfer from St. Patrick Parish, Fond du Lac and request to be assigned to a different pastorate.

My reasons are personal. I have been in consultation with Bishop Prust regarding this move and its reasons. We have talked openly and he agrees from his years of Chancery experience that this would be the prudent way.

I humbly remind you of a prior request, if it is possible to be considered. That prior request is the possibility of an appointment within the northern half of the diocese. The possible driving time of one hour on water to Cascade where I have my old living. He visited the doctor in Plymouth on Jan. 25th and received a report of an enlarged heart, and pills given to relieve his heart pains.

This transfer should probably take place as soon as is able to be implemented, and not wait until the June appointments. Since there have been some recent resignations and a recent death, this could mean several moves in the Archdiocese.

I can be available for an interview.

Respectfully yours,

FR. DON A PETERS

January 4, 2004

TO: Fr. Joe Hornacek & Bishop Dick Sklba,

I am writing this down and will adapt and change it before it is to be sent out. This might take several weeks. I have been praying for an increase to my memory since the accuser brought my case to the public. My memory needed a lot of refreshing and I know that all has not returned.

I don't know how much to put in writing. The kindly police detective had a good conversation with me, but it became too public. I talked too much and didn't realize it. The Sheriff took my computer and had it returned within a week. They found nothing to use against me. I think the only "media" to write that nothing was found in my computer was the "SHEBOYGAN PRESS". I was in some degree of "shock" in that conversation. Also in shock when talking with Joe H.

Some of the statements of the accuser indicate his weak memory also and a lack of continuity, but a lot of hurt. The basement in the house at  was not usable until the summer of 1961. The raising of the house, the concrete block walls went up during the summer of 1960. Therefore the dates are not correct. The scouts in my house at that time were youth officers who were high school juniors, seniors and early college. There was always a group of them to plan programs. There were never any "Cub Scouts" in that house. This indicates to me that the accuser did not know the various age levels of the BSA programs. There was never any wrongful actions with any of the Scouts.

Some of this indicates to me that there must have been an earlier contact for Bishop Sklba to have called me in to his office in 1993. It seems there was an anonymous tip. He told me that he never saw anything in writing from the Archbishop in those earlier years.

I am putting this in writing so that in my file in the Archdiocese, I have some of my reactions reviewed. I want this letter of some of my reactions to be kept in the file near the accusers statements.

Date of completion: Feb 22, 2004

Thank you,

Don Peters

Dear [REDACTED] -

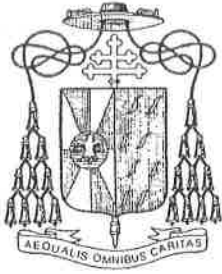

I apologize for the wrong action I did against you. I am very sorry that I am the cause of so many problems in your life. I am sorry that I performed those wrong actions.

I was at the Archdiocesan Personnel office on Tuesday, May 21 and was read your words given on or about May 3. I was contacted to come in to the office on Friday, May 17.

I pray that you be healed physically, mentally, and spiritually. God Bless you and those you work with for a positive experience.

PRECEPT

In response to the pastoral needs of this Christian community, in virtue of my authority as diocesan bishop (c. 381, §1), and in accord with the provisions of canon 49, I formally place upon Reverend Donald Peters the following obligations:

- 1) To refrain from all contact with minors, vulnerable adults, and other persons or categories of persons who have proven to be occasions of temptation in the area of sexual morality;
- 2) To cease until further notice all public ministry including the celebration of Eucharist; Eucharist may be celebrated in a private setting alone or with only another priest or priests in attendance; the celebration of any other sacraments will require explicit permission of a local ordinary in each case;
- 3) To avoid all places and situations that, from past experience, have been occasions of serious temptation in the area of sexual morality;
- 4) To cease any and all activities and relationships that may be described under the broad category of pastoral counseling;
- 5) Until further notice the faculty to hear confession is revoked.

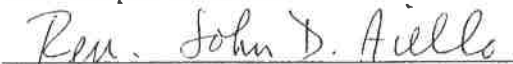

The reasons motivating this decree are the allegations of sexual activities in violation of the obligation of clerical celibacy (c. 277, §1). These restrictions are seen as necessary and prudent precautions and will remain in effect for three months from this date or until notice of their revocation. Any violations of this precept could result in penal action and this decree shall serve as canonical warning to that effect.

This decree shall be executed by means of its communication to Reverend Donald Peters by Very Reverend Joseph Hornacek.

Given this 10th day of May, 2002.

Dear Archbishop,

I am writing to accept the offer of retirement from full time ministry at age 68. I recently turned 67 and for the sake of the parish and my own plans, we all need time to adjust to ideas and programs. I am most willing to continue in a temporary help-out program.

I am asking that this take effect sometime around the end of May of 1993. I will inform you of other ideas once I know you will accept this time line.

When I responded to the Priest's Personnel Board, I told them that I was thinking and praying about a decision to accept retirement at 68. Enclosed is a copy of what I sent to the priests of the District last month as District elections came due. On the front side is what was sent to the priests. On the back side is what was not sent! I wrote a long letter and decided against sending all of it to the district priests, but kept it for my own review.

I will attend the meeting being planned for May 4, 1992 from the invitation by Fr. Tom Venne and Fr. John Pulice. This will give me more information on procedures for these plans.

I have been in regular contact with my financial adviser with my I.R.A. program, Jim Schulte. I am receiving some Social Security since I reached 65 because my annual income is below the level set by them. I will receive a good amount from this each month, when I go on full time unemployed!

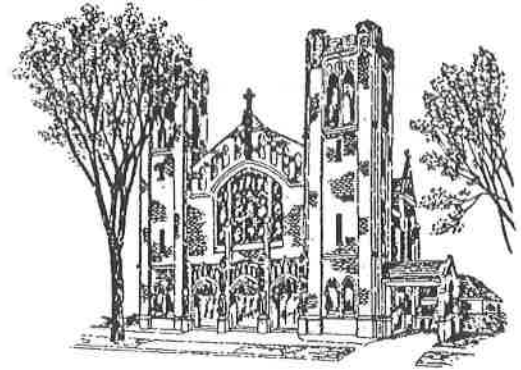

Sincerely yours,

To my priest co-workers in District 9,

Please do not enter my name as the district representative. I will not accept. Thank you for letting me serve you as secretary and this interim appointment as representative.

It is good to have this job rotate. It is good to learn about the Church at different levels. I hear there might be two applicants, Thank you!

I will be 67 the end of March 1992, therefore 68 in another year. I have written the "Personnel Board" that I am seriously praying and thinking about accepting the Archbishop's offer to retire at 68. I expect to be released of pariochial duties in May/June 1993. I will accept "help-out" situations, but will not be available always during a year. As of this writing I am waiting to hear whether this will be acceptable to the powers that be!

Oremus pro invicem,

Several things have been happening in my life in the past couple of years. Some are very personal, and others indicate to me that the body is not responding as quickly as it used to - that the mind is not as alert. Some things have happened not just to me, but in many avenues of life itself that I cannot control, but have affected my attitudes and outlook. I am ready to accept some kind of retirement program. I do not want another full time assignment.

I have worked over the years very hard for the parish to which I have been assigned. I have given a lot of thought and leadership to various situations in the parishes. Of my 42 years in the priestly work, two of these were in Hales Corners at St. Mary. Two were at Catholic Memorial in Waukesha. About seven years were at St. Patrick in Fond du Lac. The balance of the years were spent in Sheboygan District. All of these were good enriching experiences.

I have accepted District challenges and tried to offer questions and ideas that will help the end result for parish, district, and Archdiocesan Church. Some of them have not always worked as I might have wanted, but they have brought about a result that has made programs and situations much better. Some of you (and priests gone from the district) have helped me be realistic about projects. I accepted priestly work outside the parish as recreation and hobby. These have been a great way to relax and yet accomplish positive contacts in the lives of others.

These are thoughts as I am writing. I want to share these thoughts with you. I want to thank you who are now in the District and those who have come through the District over the many years for the great priestly work that has been done.

Dear Reverend Weakland:

I write this letter with the hope that you will understand that the events of 43 years ago will be forever etched in my mind and that it has just been the last 10 years of my life that I have been able to discuss this openly and candidly.

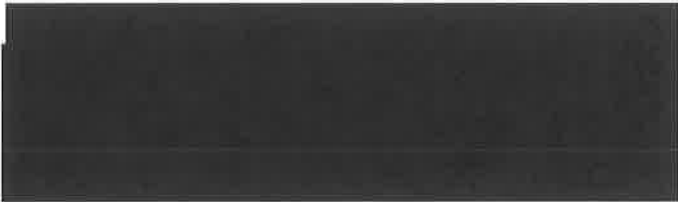

When I was 15 years of age Fr. Donald Peters of Sheboygan befriended me, and during that time period and as I recall on 3 separate occasions Fr. Peters manipulated me into believing that his discussions with me as they relate to my sexuality were proper and that he had my best interest in mind.

He convinced me to expose my genitals to him at which time he engaged in fondling me along with showing me slides of young teenagers in various stages of dress to include full nudity. These incidents took place at [REDACTED] cottage. [REDACTED] being Fr. Peters dad.

It is my hope that you, even though you are retiring along with your staff and fellow professionals do everything humanly possible to repair the damage done to so many.

I thank you for you in advance for taking the time to listen to me.

Dear Mr. 

Archbishop R. Weakland has asked me to respond to your letter. I am the director of Project Benjamin, a program of the Archdiocese of Milwaukee to bring healing, truth and justice to issues of sexual abuse within the Church, and a licensed psychologist.

Because Father Donald Peters is not known to us already as someone who offended against minors, it is important that I talk with you to start a detailed investigation. Obviously sexual abuse should not have occurred, and I hope you realize clearly that you were not in any way responsible. I understand that you have felt shame and it is difficult to talk about these events. As a result of our conversation, we would confront Father Peters, who is now retired, with these allegations. It is important that he face his actions and the harm he has done. We can also discuss how your life has been affected and if some outpatient psychotherapy would be helpful to you, this therapy would be paid for by Project Benjamin.

Please call me at 414-769-3436, so that we can set up a mutually convenient time to talk.

Thank you for taking this first step to report what happened. I know it took a lot of courage.

Sincerely,

Your Excellency:

Archbishop Dolan recently prepared for your review a request for voluntary laicization by Reverend Donald Peters. Two additional items for consideration have arisen since the case was submitted. Archbishop Dolan requests that this material be added to the case file.

A copy of the police investigation from July 2002 has been obtained. The minimal admissions that were provided to the Vicar for Clergy at that time are expanded in this report. A copy of the report is enclosed.

While Father Peters denies any sexual contact with minors in the Boy Scouts, we have had a report surface that states the contrary. Mr. [REDACTED] has informed the Archdiocese of Milwaukee that, while he himself was never abused by Father Peters, he observed such abuse of another adolescent at a Boy Scout camp. He came forward to resolve his own guilt at never having reported this abuse and, therefore, having possibly exposed others to abuse. Appropriate pastoral outreach has been offered to Mr. [REDACTED]. He was unable to provide the name of the adolescent male. Since he has no potential for personal gain in coming forward, his report is deemed to be credible and non-suspect.

Thank you for your consideration of this request.

Sincerely yours in Christ,

Most Reverend Angelo Amato, SDB

Your Excellency:

In accord with the norms of *Sacramentorum sanctitatis tutela*, I am submitting for your consideration the case of a priest of the Archdiocese of Milwaukee. Reverend Donald Peters has been accused of acts of sexual abuse of minors. The summary of these allegations is enclosed. Father Peters has admitted that a number of these acts of sexual assault occurred.

As we have reviewed the various files, it would appear that the original problem would date back to the 1960's and 1970's. While there is record of a formal notification of a problem in 1992, the anonymous nature of the report made it difficult to address. Father was informed of the report but he said he did not know to what it referred.

However, a closer review of correspondence from that period may reveal otherwise. In 1971 Archbishop William Cousins received a letter from Father Peters in which he makes reference to the need for a speedy transfer of assignment as recommended by Auxiliary Bishop Leo Brust as "the prudent way" given circumstances. A second note was sent to Bishop Brust from Father Peters stating that nothing should be committed to writing and no letter sent to those concerned. Archbishop Cousins transferred Father Peters to a new assignment a month later.

From the vantage point of hindsight, it would appear that this correspondence indicates that some inappropriate behavior had occurred at that time. Bishop Brust was the person who handled such matters and the usual response was to quietly see that the priest left his place of assignment.

When confronted with the allegations in 2002, Father Peters spontaneously admitted that there were incidents of sexual contact with minors in his past. He made this declaration to the investigating civil authorities and to the Vicar for Clergy. On that basis, Father was placed under precept not to exercise any public ministry. In 2004, as part of the attempt to bring resolution this situation, again Father Peters admitted that there were two or three others who might come forward. His dating of those incidents of sexual contact corresponds to the letters and mid-year change of assignment in 1971. Given the number of years that Father Peters was actively involved in the Boy Scouts, there is every reason to believe that additional victims may come forward.

page 2

In the years since it was first issued, the precept has remained in place. I am of the opinion that the matter needs more concrete resolution. Given his age, I had proposed that Father Peters agree to live a life of prayer and penance while remaining under precept. He has been considering that option but knows that to do so would mean he would not have free reign to travel and live elsewhere in another diocese for six or more months of the year. He would need to remain in the Milwaukee Archdiocese to be monitored. He has been in consultation with two different canon lawyers. He has now concluded that he would rather be free to travel than to remain in the clerical state. He is choosing to seek voluntary laicization and his petition is enclosed. I have been assured by his present canonical advisor that this decision is being made freely and that he has been given sufficient counsel to make such a decision. This has not been a hasty or sudden judgement. The Archdiocese of Milwaukee has paid for the services of a canonical advisor for him.

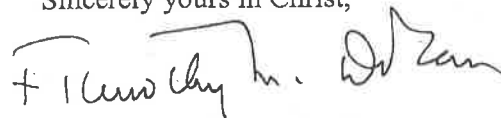

While it would have been my preference that he choose the first option given, a life of prayer and penance, he is unwilling to accept the conditions that would accompany that possibility. Given the legal liabilities, another diocese is not going to agree to monitor a priest for whom they have no responsibility. I regret that Father Peters has chosen as he has but I respect his right to do so.

Father Peters receives his full pension and will continue to do so since it is a qualified self-contributory plan. He owns a home in Wisconsin and one in Florida. Should his petition be granted, the Archdiocese of Milwaukee will establish a fund from which he can draw any resources needed for additional health needs not covered by his insurance.

I look forward to your response in this matter.

With sentiments of deepest esteem, I am,

Sincerely yours in Christ,

Most Reverend Timothy M. Dolan

CONGREGATION FOR THE DOCTRINE OF THE FAITH

Prot. N.: 249/05

Father Donald R. Peters, a presbyter of this Archdiocese, has humbly petitioned for a dispensation from all the obligations connected with sacred ordination.

Our Most Holy Father, Pope Benedict XVI

On the 6th day of October, 2007

Having heard the opinion of his Eminence and Most Reverend Prefect of this Congregation, has granted the request of the presbyter for the good of the Church, but with the following provisions:

1. The rescript of the dispensation, being made known by the competent Ordinary to the petitioner as soon as possible:
 - a) *becomes effective from the moment of the notification;*
 - b) *inseparably includes a dispensation from sacred celibacy and, at the same time, loss of the clerical state. The petitioner never has the right to separate those two elements, that is, to accept the first and refuse the second;*
 - c) *if the petitioner is a religious, the rescript also grants a dispensation from the vows.*
 - d) *indeed, further, it carries with it, insofar as it is necessary, absolution from censures.*
2. Notification of the dispensation can be made to the petitioner either personally, or through one delegated by the same Ordinary, or through an ecclesiastical notary, or by "registered mail." The Ordinary ought to retain one copy (of the rescript) duly signed by the petitioner in testimony of his reception of the rescript of the dispensation, and also of his acceptance of its regulations.
3. Notice of the granting of the dispensation is to be inscribed in the baptismal register of the Petitioner's parish.
4. With regard to the celebration of a canonical marriage, the norms set down in The Code of Canon Law must be applied. The Ordinary, however, should take care that the matter be discreetly handled without pomp or external display.
5. The ecclesiastical authority, to whom it belongs to notify the petitioner concerning the rescript, should earnestly exhort him to take part in the life of the People of God, in a manner consonant with his new mode of living, to give edification, and thus to show himself a most loving son of the Church. At the same time, however, he should be informed of the following points:
 - a) *the dispensed presbyter automatically loses the rights proper to the clerical state, as well as ecclesiastical dignities and offices; he is no longer bound by the other obligations connected with the clerical state;*

Dear Sister Lucy,

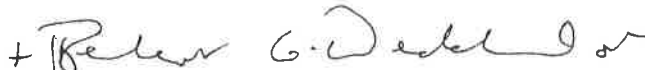

Recently you wrote me asking me to fill out a form concerning Father Don Peters, a retired priest of the Archdiocese of Milwaukee.

In the twenty-one years that I have been Bishop here in Milwaukee there have been no complaints about any current behavior on his part. Back about 1992, however, when we had our first pedophilia scandals break out in Milwaukee, we did get several phone calls from men in their thirties who claimed that something had happened back when they were teenagers and Father Peters was involved in the Scout movement. None of these people were willing, though, to come forward or even give us their names. I judge there were probably two people who contacted the Chancery at that time. We were never able to follow up on the allegations and they have remained always out there unsubstantiated.

I did not simply want to fill out the form you sent, Sister, and felt it would be best that I mention to you the situation of the past. I am more than willing to do whatever you request to be of help on this -- if you want me to talk to Father Peters again or to have him come to the Chancery there in Orlando.

I hope all goes well. Many blessings.

Dear Father Peters:

Subsequent to our conversation earlier this fall regarding the renewal of faculties, I had the opportunity to discuss the question with Archbishop Weakland and Fr. Joseph Hornacek, as well as Dr. Cusack from the Chancery in order to proceed in a proper fashion for all parties concerned.

Since the Archbishop has indicated a willingness to make adjustments as requested, I now write to ask that you yourself initiate a letter seeking the extension of priestly faculties for your current situation in retirement. Upon receiving such a request, for the records, a response will be sent with an indication of a revised granting of faculties.

I trust that this will be a sign of new beginnings as the new millennium approaches and express my sincere thanks for your spirit of cooperation and patience in pursuing the question as raised.

Dear Bishop Dorsey,

I understand that Father Donald Peters, one of our retired priests, is residing in Orlando and wishes to be available to assist at parishes as needed. He is requesting your authorization to do so.

I can attest that Father Peters is a priest in good standing in the Archdiocese of Milwaukee. He has the full exercise of all faculties here in the Archdiocese. I have never had any reason to limit his ministry. He has never had any canonical penalties imposed upon him.

In the interest of full candor and disclosure, I do need to tell you that there was once an anonymous phone call alleging sexual improprieties on Father's part. Father denies any such activity. A full investigation on our part surfaced no substantiation of this claim and we have no concerns in this regard. He was never removed from ministry or restricted in his exercise of faculties. I do not believe that Father Peters poses any threat to anyone.

I hope this information is helpful to you and that you will be able to make use of Father Peters' services in some way.

Dear Mr. Wells,

As we indicated in previous correspondence, we will be turning over to your office any reports of alleged sexual abuse by priests that may have occurred in your county. I am enclosing an intake report in such a matter for your review. The actual site of the alleged incident may not be in your jurisdiction but Father was assigned in Sheboygan at the time it occurred. The alleged incident involves a priest who is now retired. I have reviewed our files and find that there had been one previous allegation from an anonymous caller. Father was confronted and denied any such behavior. We were not able to do any follow-up contact with the alleged victim, as there was no identity revealed. We do not know if this is the same person or not. We have not informed Father that this report is being sent to your office.

Thank you for your assistance and cooperation. If you need anything further, please do not hesitate to contact me.

On Wednesday, March 5, 1986 I was approached by Don in the context of confirmation at his parish concerning his hope to become an associate within the next year, hopefully in Florida rather than in the Archdiocese. His health is good. I suggested the need for him to stay at St. Clement's for a while as a bridge until the time when a Spanish-speaking priest might be appointed pastor in order to bring the two communities together. I promised to explore the matter at Don's request.

On November 4, 1992 District Attorney James Frisch reported an anonymous phone call from a slow speaking, somewhat confused gentleman who called the District Attorney at home claiming some inappropriate behavior 30 years ago by Don. The allegation was so confused and without specifics and as a result the District Attorney wanted to inform us of the matter in order to maintain good communications. I called Don to learn that he was away and left a message indicating I wished to speak with him.

The District Attorney, upon my inquiry, stated that he lost his election and we agreed that this was probably the result of the negative and incomplete information presented by Channel 12.

Reverend Donald Peters

The following information was obtained from the file of Reverend Donald Russell Anthony Peters, provided by the Archdiocese of Milwaukee, 3501 S. Lake Dr., Milwaukee, WI.

Reverend Peters was an Assistant at St. Clement Church in Sheboygan, WI from 1950 until 1960; and at St. Mary's Church in Hales Corners, WI from 1960 until 1962. Between 1962 and 1967, Father Peters was an Administrator at St. Patrick's Church in Fond du Lac, WI; and between 1967 until 1967, he was assigned to Catholic Memorial in Waukesha. Father Peters was a Pastor at St. Patrick's in Fond du Lac, from 1969 until 1971. In 1971 until 1977, he was a Pastor at St. Mary's Church in Sheboygan Falls. He returned to St. Clement Church in Sheboygan, WI in 1977. Father Peters retired in 1992 at the age of 68, after 42 years.

In November, 1992, an anonymous phone call reported a sexual abuse against Father Peters that occurred in 1959-1960. The abuse occurred at a lake cottage in Cascade, WI, owned by the Reverend's father. Father Peters denied any sexual activity occurred.

In 2002, Sheboygan County Sheriff Department served a search warrant at the home of Reverend Peters, seizing his computer. During questioning, Father Peters admitted to molesting the victim three times in his father's cottage in Cascade, WI; and to three additional incidents of inappropriate sexual behavior with minors in the '60's. No incriminating evidence was found on the computer, and it was returned.

Dear Mr. [REDACTED]

Thank you for your recent phone call regarding Father Don Peters. I spoke with Barbara Anne Cusack regarding any assistance for Father Peters should he decide to seek voluntary laicization.

I understand that the concern revolves around health care expenses. My understanding is that the archdiocese is willing to give Father Peters a lump sum of money to establish a healthcare savings account for use as payment for supplemental health insurance or payment of prescription expenses as Father Peters may determine. We would ask Father Peters to arrange that whatever remains of that lump sum will revert to the archdiocese after his death. The amount of money would probably be \$10,000.

If you have further concerns or questions, please feel free to contact me at 414-769-3490.

Re: Father Don Peters
Date: July 12, 2005

Background:

We were prepared to send a petition for involuntary laicization to CDF last Fall. Father Peters asked Father Curt to wait until his return from Florida when he would consider voluntary laicization.

Developments:

██████████ is advocating on behalf of Father Peters. He is close to convincing him to select this route. However, the sticking point is health insurance coverage. Father Peters is worried about not having the additional coverage the diocese provides to retired priests to supplement Medicare. We cannot continue to cover him if he is laicized.

Proposal:

Would we consider some moderate "lump sum" amount (perhaps \$10,000) that he could put into a medical savings account to assist his medical needs? We would have him sign an agreement that this is full and final charitable assistance and that any residual in the account at the time of his death would revert to the Archdiocese. We will need to consult with legal counsel that this would not be an excessive entanglement still leaving him too connected with us.

Is this proposal acceptable to you?

To Archdiocesan Priests, Deacons, Parish Directors:
Dear Father, Deacon, Parish Director,

Consistent with my previous commitment to try to notify you about any potential media reports on sexual abuse by one of our clergy, I am sending you the following notification.

Although we understand that this information is already circulating in the media, we did want to inform you of a situation involving a retired priest. The Sheboygan District Attorney informed us this afternoon that Father Donald Peters has admitted inappropriate sexual behavior with minors in the 1960's. The sheriff's department in Sheboygan is investigating this matter and held a press conference this afternoon to announce that fact. We had no advance notice that these actions would be taken by the Sheboygan authorities. Please keep all involved in your prayers.

CHRISTMAS 1994

The "highlight" of this past year was the Pilgrimage to Egypt and Israel Feb. 18 to Mar 5 with 12 priests directed by Fr. Lauren Wenig who studied in Jerusalem for 5 years. We started in Cairo but 3 of us added 2 days to include a trip to Luxor, Karnak with the valley of the Kings which was most enlightening. The trip by bus over the Suez Canal and through the desert up to the Dead Sea with stays at Beersheva, Tiberius, and Jerusalem. This was a prayerful journey with opportunities to learn about the many "Holy Places" to Judaism, Christianity and Moslems. I have many pictures to show when you come to Mulberry, FL, Lake Ellen, WI., or visit you.

This Christmas (Winter Season) finds us (Valerie & me) in Florida again. We don't know how long we will continue this dual life-style, but the progression of physical and financial things will help us determine that.

Valerie spent about 5 weeks with me up at Lake Ellen, but had to return so that she could earn money to meet her expenses. The purchase of the Manufactured Home hit her budget very hard. My help is minimum. She teaches private piano lessons for about 15 people in their homes. Her travel provides income, but adds to the expenses.

I returned to Lake Ellen the week before May 1 and they saved one snow for this "snow bird" - about 4 inches came on that Saturday - Oh Well!

During my months in the north - I am still sorting and distributing my "stuff." I never realized how much I had accumulated until I had to bring my northern things together into one living space. I gave a packet of CYO NEWSFRONT - a monthly bulletin used in the Sheboygan Parishes in the 1950's, 60's, and 70's - to the Sheboygan Historical Society in Sheboygan Falls.

My Scout activities are being reduced very dramatically. I have turned over to the Milwaukee Scout Museum all printed matter from the several Jamborees and Order of the Arrow Conferences in which I participated over the years. I gave many books to the Bay-Lakes Camp program center. Many smaller items have gone to individuals or have been sold. The National Catholic Committee historical group has received many related items including some from Msgr. Kuehn.

Now I have to take time to sort and see what will happen to my collection of Disneyanna items. There might be a market for some of these things someplace!

During my months in the north - I was able to help the priests in the Sheboygan area have vacations by taking their place for weekend Masses. A couple of the places also asked for week-day Masses. This is a very interesting experience because I get to see the many different ways that parishes conduct liturgies. BUT the best part is that I don't have to make parish decisions and NO MEETINGS!

During my months in the south - I have helped a little in local parishes, some at a County Prison Mass on Saturday evening and at "Mary, Queen of the Universe Shrine" near Sea World & Disney World in Orlando. Met some St. Clement Parishioners there on Easter Sunday 1994!

We are willing to help you share the enjoyment of Tourist Places if you ever travel this way. However, we do not have enough room to invite you to stay with us. Accomodations at reasonable prices are available at many places!

My prayers for you, your Dad, and your job(s)

*Try, Trust, Triumph.

Dear Don,

Recently I had a conversation with Mike Grellinger on the question of a chaplain to the Boy Scouts. Mike wishes to relinquish his present role there and has asked me to name you as chaplain.

With this letter, then, I formally do so.

May God's blessings be many as you assume this role.

Sincerely yours in the Lord,

Most Reverend Rembert G. Weakland, O.S.B.
Archbishop of Milwaukee

On November 4, 1992 District Attorney James Frisch reported an anonymous phone call from a slow speaking, somewhat confused gentleman who called the District Attorney at home claiming some inappropriate behavior 30 years ago by Don. The allegation was so confused and without specifics and as a result the District Attorney wanted to inform us of the matter in order to maintain good communications. I called Don to learn that he was away and left a message indicating I wished to speak with him.

On December 3, 1992 Don called asking if any further information had been received regarding the anonymous allegation. I stated that no additional conversation had occurred and told him he could continue planning to be absent for a vacation after Christmas.

On September 24, 1999 I finally had the opportunity to sit down with Father Peters and to discuss the allegation which surfaced in November of 1992. We reviewed the fact that the Archdiocese had received only one single, anonymous call through the District Attorney of Sheboygan and that nothing further or concrete had ever been added to the case since that time. Father Peters reported that he had received a phone call from an official of the Orlando Diocese on January 11, 1999, indicating that no Sacramental ministry could be exercised there because of lack of positive testimony from Milwaukee. I promised to check the Chancery file in order to see if there was any information beyond the single notation in the Vicar's office. I also promised to review the status of the matter with the Archbishop, especially given the fact that he remains with full faculties from the Archdiocese of Milwaukee. Acknowledging that he would deal with adolescents differently today, he had no clear recollection of inappropriate behavior. He stated that his intention was to leave Cascade for the winter in Lakeland, Florida on November 15, 1999. Until that time, his Cascade telephone remained [REDACTED]

May 17, 2002 Don Peters is contacted by Vicar who reports an allegation came in which requires a Precept to be issued. Vicar allows him to concelebrate a funeral on 5/20 at St. Clement, Sheboygan. Precept will be given to him the following day.

May 21, 2002 Don Peters meets with Vicar to receive the Precept. HE is told of the alleged sexual abuse which took place in his father's house in '59 or '60 while he was Assistant at St Peter Claver, Sheboygan. Don recognizes the name of the victim and agrees to write the requested letter of apology, sending it to the Vicar's office. He recalls that in '92 Bishop Skiba notified him of an anonymous allegation made about him to the Sheboygan DA. Peters retired in '93. He also reports that Bishop Dorsey of Orlando wrote to Peters after conferring with Archbishop Weakland about 3 years ago and forbade Peters to exercise any public ministry in the Orlando Diocese. Vicar updates Dr. Reinke and Barbara Anne Cusack of this.

Select Peters Sexual Abuse Intake Reports

5/2/02 Sexual Abuse Intake Report regarding victim who reported originally in the letter dated 4/23/02. The survivor alleges abuse by Peters from 1959-1960 when the survivor was 16 years old and says there were other boys around who may also have been abused. On three occasions, Peters showed the survivor pictures of young men partially clothed and fondled the survivor. The survivor also notes that Peters was heavily involved in the Boy Scouts.
