**Historical Note**

St. Gall was organized in 1906 on 3<sup>rd</sup> and Clarke Sts. The parish was named for the Irish missionary who worked in Switzerland. It was founded as an English speaking congregation located between the north side German enclave and the Polish east side. The first building was a temporary church/school building. St. Galls' was always tiny and was never listed among the more prestigious parishes. Some of the parish's first pastors often referred to its "homeliness".

It was this sense of community that kept many white parishioners at the parish in the late twentieth century, despite the fact that they had long since moved away from the neighborhood. It was one of the few parishes in Milwaukee's "core" in which most of the parishioners lived outside of its boundaries. Despite this, St. Gall lost about 1,100 parishioners throughout the 1960s. The parish eventually developed two distinct communities in the parish: white and black. One point of unity for both groups was the parish school, which for many years used a non-traditional, non-graded system. The school closed in 1969 for financial reasons, but the parish pledged support to the new Martin Luther King Community School, which moved into the vacated building the following year.

In the 1970s the parish would redefine its mission as a social, rather than sacramental. In 1976 the parish began a sister relationship with St. Monica in Whitefish Bay. In 1977 they began offering hot meals to an average of 225 people per night. In 1979 the pastoral leadership at St. Galls and St. Elizabeth joined together to share resources. By the 1980s St. Gall's was considered one of the poorest parishes in Milwaukee County. In 1990 the parish was remodeled, and St. Gall and St. Elizabeth developed liturgical guidelines for African-Americans. The renovations of the worship space were made with consideration given to an enhanced role for musicians and the choir, and included new African Art.

St. Gall parish closed on October 31, 1994. Most of the parishioners of St. Boniface, St. Elizabeth, and St. Gall would join the newly created St. Martin de Porres parish.

**Scope and Content** *a brief description of the types of materials in the collection.*

This collection is organized into four series: Administrative, Parish Organizations, Financial, and Marriage records. The Administrative records consist of bulletins, a large number of files and photographs documenting various parish events, parish/congregational meeting minutes, parish council

and parish leadership meeting minutes, meal program records, and newspaper articles. The Parish Organization series consists of records of the Altar Society, Legion of Mary, and the St. Vincent de Paul Society. Meeting minutes from the St. Vincent de Paul Society are currently closed due to the fact that they contain personal information regarding their client's needs.

**Box and Folder List** *This is a list of folders names within the collection. The folders are listed alphabetically by series. "B" is an abbreviation for box and "F" is an abbreviation for folder. This list will help the researcher narrow down exactly what folder they want to look at.*
